I first found out about New Street Dental online. I rang to enquire and the receptionist was very helpful and polite. I made an appointment and Dr Kumar was great, he is very gentle when working on you. Overall the treatment was fantastic and very fast. The results was great, better than I expected.

I found that the dental finance 0% interest credit really helped me.

I would ~~strongly~~ recommend New Street Dental to anyone.

A massive thank you to Dr Kumar, and the team for all the hard work and help.
